"Preserving the Heritage"

SKIPJACK HERITAGE, INC. MEMBERSHIP APPLICATION

Skipjack Heritage, Inc., was formed in 2007 as a non-profit organization that has an IRS 501(c)3 tax deductible designation. Objectives of the organization are to provide support and promote the education and appreciation of the Skipjacks, their owners, captains, crew and families, the seafood industry and, in general, the watermen's way of life in order to assist and preserve the social and cultural heritage for current and future generations. Skipjack Heritage, Inc., also provides support to local watermen, civic organizations and events that have similar goals. The organization is currently expanding its educational program development with the State's Universities and is in the beginning stages of planning and development of a maritime & heritage museum for the area, "The Skipjack Museum & Heritage Center".

Join us today in helping to document, assist and preserve the watermen's way of existence and extend the life and heritage of the only sail-powered oyster fleet in the United States of America. So, if your interests are similar to our goals, or even if you would just like to be associated with a local civic organization such as ours, please provide the appropriate information in the spaces provided below and mail to SKIPJACK HERITAGE, INC., 23529 Deal Island Rd., Chance, Maryland, 21821.
